PH - I've finished reading Summer and find no reason to believe other than I've said.

He refers to a statement made by Azcue in Havanaa. I suppose this is when Castro staged his super-dooper, with the Wilcotts, etc.

Do you have that? Did Cuba publish it?

The second batchx of the Dallas index came today. Havne't looked at it. The covering letter says that it is of the Sub 1-A only.

In extent, about 10 inches thick.

I've got a couple of things working in appreciation of the revocation of the fee waiver. If they bear fuit I'm sure you'll get a taste.

As your folks may have told you, the weather here is like Texas. Slows me down a bit more.

Nothing more from Criminal since I last informed you.
